

SYLLABUS Academic Year 2024-2025

1. Program Information

1.1. Higher-Education Institution	Babeş-Bolyai University
1.2. Faculty	Business
1.3. Department	Business
1.4. Study Domain	Business Administration
1.5. Study Level	Master
1.6. Study Program / Qualification	International Business Administration

2. Discipline Information

2.1. Discipline name	International Management						
2.2. Discipline Code	IME0005						
2.3. Course Teacher	Assoc. Prof. Monica Maria COROŞ, PhD						
2.4. Seminar Teacher	Assoc. Prof. Monica Maria COROŞ, PhD						
2.5. Year of Study	I	2.6. Semester	I	2.7. Evaluation Type		C	2.8. Discipline Type

3. Estimated Total Time (hours/semester for teaching activities)

3.1 Hours/Week	2	Out of which: 3.2. course	1	3.3. seminar/ laboratory	1
3.4. Total hours from learning plan	28	Out of which: 3.5. course	14	3.6. seminar/ laboratory	14
Learning time schedule:					hours
Learning by using course materials, references and personal notes					30
Additional learning by using library facilities, electronic databases and on-site information					29
Preparing seminars/laboratories, homework, portfolios and essays					29
Tutorial activities					2
Exams					2
Other activities - projects					5
3.7. Total individual study hours					97
3.8. Total hours per semester					125
3.9. ECTS					5

4. Preconditions (if needed)

4.1. Curriculum	Management is desirable
4.2. Competences	

5. Conditions (if needed)

5.1. Course related	Classroom with computer and video-projector
5.2. Seminar/laboratory related	Classroom with computer and video-projector

6. Developed competencies

Professional	<ul style="list-style-type: none">• C1. In-depth knowledge and systematic use of the set of information resulting from the theoretical, methodological, legislative, and practical developments specific to business administration at international level;• C3. Ability to adapt dynamically to changes emerging in both national and international business settings by an appropriate and flexible use of the information available;• C5. 9. The corroboration of discipline contents with the expectations of epistemic community representatives, professional associations and representative employers in the study program’s corresponding field

In order to develop the course content and teaching/learning techniques, the course responsible analyzed several syllabi of international academic programs dealing with the same subject, and also discussed with other professors from different business schools that have similar teaching and research interests.

10. Assessment (examination)

Type of activity	10.1 Evaluation criteria	10.2 Evaluation methods	10.3 Weight in final mark
10.4. Course	<ul style="list-style-type: none"> Understanding and operating with the specific concepts and theories discussed during lectures and seminars The ability to adequately use concepts, methods, and procedures specific to International Management The capacity to understand the role of culture in International Management 	<p>Written test – multiple choice quiz (with one or more correct answers; +/- open-end questions; +/- true/false statements</p> <p>!!! In order to attend the final exam, students must register for the exam, picking the first or the second date (through the Assignment created in this respect).</p>	25%
		<p>Final project (pair/group project with individual components) – all students are expected to present their projects and to register for their presentation (Evaluation criteria: authenticity, originality, realism, the use of the theoretical background assimilated, the quality of the presentation); students must present their projects and submit a written report</p>	50%

10.5. Seminar/laboratory	• Class activity	Students are required to actively take part during classes, be involved in case study discussions during seminars, to get engaged in individual projects; some case studies will be provided as asynchronous activities	15%
		All students are expected to address at least one question to their colleagues during the final presentations AND to evaluate the presentations made by their colleagues	10%
BONUS	Students can gain a bonus worth 1 point if they take part in lecture and seminar activities actively .		
10.6. Minimum performance standard			
<ul style="list-style-type: none">Final test (multiple choice test with one or more correct answers +/- open-end questions +/- true or false statements) – in order to pass the discipline, all students must receive a grade of minimum 5 (five) in the written exam, only then will all other points be added in order to establish the final grade;The grades being granted are between 1 (one) and 10 (ten);Students must approach each element (question, problem) within the final project's requirements;All students must present their projects; no project may be submitted without presentation;Plagiarism leads to failing the exam;!!! In order to attend the final exam, students must register for the exam, picking the first or the second date (through the Assignment created in this respect). All the conditions are valid for the re-sit exam, too.
