

Dear community,

The month of December has just begun, so we cordially invite you to join the partnership between our faculty and the Cărțile pe Față Cultural Association.

This collaboration aims to support one of the association's initiatives, namely the BookTruck Mobile Library. With its help, it lends books to children for free, brings volunteers, writers and puppet theater to visit them, and brings children from the village to the city, to various cultural events. Currently, two BookTruck mobile libraries reach children in over 30 communes in Cluj County, who thus discover the joy of reading.

In a practical sense, between December 5-18, each of us can support the social cause by donating books. The recommendation is to donate them as addressing 3 to 15 years old children, published after the year 2000. They do not necessarily have to be new, but in good condition.

So, starting Friday, December 5, each of us can contribute to building the community tree at Business together.
